

35+ years of expertise and leadership in the market

10-year warranty on all products

9000+ customers worldwide

Installation in **70+** countries

4 industrial patents across **7** countries

9 subsidiaries in the major cities

75+ trusted partners worldwide

OUR EXPERTISE IN WATER, FUEL & ACIDS LIQUID LEAK DETECTION SOLUTIONS

DESIGN

- Innovative, practical solutions
- Techno-economic optimization

DEVELOPMENT

- Continuous research
- Prototype testing and improvements
- Precision engineering
- Innovative materials

MANUFACTURE

- Certified, high-quality materials
- State-of-the-art manufacturing
- Strict quality control
- ATEX, UL, FM approved products

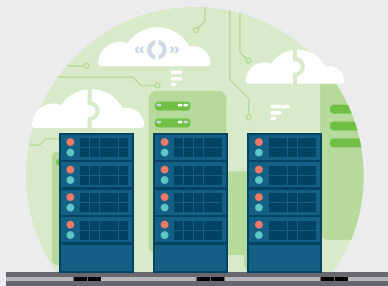

INSTALLATION

- Fully certified technical team
- Expertise in specific applications
- Project management

ADD-VALUED SERVICE

- Industry-leading 10-year warranty
- Dedicated technical-sales team
- Technical support
